COMPANY

Chinamate Technology Co., Ltd., founded in January 2007, is a leading high-tech enterprise specializing in R&D, production and sales of printer consumables. With a factory area of 18,000㎡ and more than 500 employees, our company achieves a monthly output of over 1,000,000 toner cartridges and over 500,000 ink cartridges. Our major products include remanufactured toner/ink cartridges, compatible toner/ink cartridges, ink, CISS, colored tapes and photo paper, covering more than a dozen brands and over 1,000 models of printers including HP, Canon, Samsung, Brother Lexmark, etc. By virtue of trustworthy quality and complete after-sales service, our products have been exported to all over the world and well received by domestic and international customers.

In the business concept of "Quality Stems from Professional", we strictly adopt high-quality raw materials, invested a large amount of manpower and resources in product development production and quality inspection, actively introduce internationally advanced production equipment, and have a powerful technical team. Meanwhile our products are strictly complied with ISO9001&ISO14001, laser toner cartridges are certified by CE, perfecting our quality management.

We will keep up with the development of printing technology, continuously develop new products and improve product quality. We hope to establish long-term, happy, credible and reciprocal partnerships with all friends.
